DPA Honors Distributor with Founder's Award

Distributor Partners of America (DPA), a member-driven buying & marketing group, recently announced the recipient of its prestigious Founder's Award at DPA's annual Buying & Networking Conference in Myrtle Beach, SC. This year's Founder's Award was the eighth given in the group's history and the honor went to **United Sanitary** (Baltimore, MD).

The DPA Founder's Award recognizes a company or individual that has been with DPA from the beginning, and that embodies the spirit of the organization. United Sanitary was founded in 1930, and strives to give their customers the best tools to help provide a safe and sanitary environment for their business. "They have been a part of DPA for over 14 years and are always looking for opportunities to support our preferred vendors. We would not be where we are today as a group without their loyal dedication." says Zachary T. Haines, DPA Executive Director.
